

2020 PRESIDENT'S MESSAGE

Fairway Hills Senior Golfers:

Happy New Year and New Decade of 2020. We had a rare experience last year in that we did not miss one outing because of rain. The bridges were rebuilt and caused little or no issues for our season. The course was in the best condition I can remember in the last eight years I have played Fairway Hills.

Our golf banquet was a wonderful success with sixty-nine members and guests attending. Thanks to Ron Briggs, Dave Hand, Mike Gore, Earl Gentry and Denny Walsh for making this event happen. We had many prize winners and I believe nearly everyone ended up with something. Kelsey's was very enjoyable as a venue with delicious food, great service and an easy location to access.

We are planning to have our opening membership meeting on March 31, 2020, starting at 9:30 AM. We will meet in the First Tee room at Fairway Hills with coffee and donuts available before the meeting. The leadership team will provide information about the league and coming events that take place starting April 7th through October 27, 2020. We will be increasing our dues this year to \$60. We need this increase because there was a short fall in our budget last year and members of the leadership team had to cover this short fall. This will be the first increase in dues in several years. We will also be looking for members to take over leadership positions next year. Don't forget that this league runs well because of volunteers and we will need more active participation this year for things to run smoothly. We are always looking for new members and I encourage each of you to invite friends to come out and join us.

We want to continue our popular and well-attended monthly lunches again this year. We encourage all members past and present to attend and enjoy food and fellowship. Be sure to watch the fhsga.net website for all the news and schedules for upcoming events and to schedule your participation. The new 2020 Membership Application is now posted on line.

Our leadership team this year: Larry Green-President, Vice President-Ron Briggs, Treasurer-Mike Gore, Secretary-Bob Cochran, Software and Website Manager-Howard Mindek, Play scheduling and handicap manager-Dave Hand, Social Director Denny Walsh and our MISGA Representative Earl Gentry. Several of these positions will need to be filled next year so please let me know if you would like to volunteer to fill one of these positions.

Larry Green – FHSGA President
